

BURGMÜGGENHAUSEN

equine clinic

Job offer: EQUINE SURGEON

As part of our team of the private Equine Clinic Burg Müggenhausen the candidate should be highly interested in equine surgery and orthopaedics. Our case load covers all types of surgeries. The clinic provides modern equipment including standing low field MRI, Scintigraphy, Equetom, FP4-Laser, Diode- and CO₂-Laser and inpatient capacity for 45 horses. Scheduled overnight emergency duties on call are required. We expect high motivation in training and teaching interns and experience in managing equine cases in a team-based environment including medical, intraoperative and postoperative care.

The position includes taking care of clients and patients during day-to-day business. Good knowledge of written and spoken German is favourable, but not essential. Insurance – health and business liability insurances – etc. are covered by the company under the high german standards.

The **Equine Clinic Burg Müggenhausen** is a renowned equine hospital and is considered leading in thoroughbred and sports medicine. With a staff of 50 it is located near Cologne, Germany, situated in new and historic buildings – some dating back to medieval times – on grounds covering 25,000 m².
